

HAVE YOUR SAY ON THE FUTURE OF PALMER PARK

Reading Borough Council is consulting on a Draft Palmer Park Development Framework, which looks at the future of the park. The main purpose of the framework is to provide a master plan for the area, showing options for how a pool could be accommodated on site, whilst recognising the park's history and its vital role as an open space serving the local community.

This is a Draft for consultation, and the Council welcomes your views, which will be taken into account in drawing up a final version.
